

# PEDESTAL STORAGE SPECIFICATION

Pedestals, designed to work with all Fleetwood storage solutions, offer a cost-effective solution that balances appearance and quality. Retaining Fleetwood's dedication to mobility, pedestals feature cases with particleboard construction. Like other Fleetwood products, all units are Michigan-made with no exposed visible edges. Units ship fully assembled for quick installation and are backed with our limited lifetime warranty.

## Types of pedestals:

- Mobile pedestal with open/file combination
- Mobile pedestal with file/file combination
- Mobile pedestal with box/box/file combination
- Mobile under-worksurface pedestal with box/file combination
- Mobile pedestal with 6 trays

## Standard features:

- .75" thick 45lb. density particleboard substrate with a balanced construction of color-matched, thermally fused laminate (TFL) on both sides of all horizontal and vertical outer and internal panels and shelves, except bottom panels. Bottom panels constructed of .75" thick 45lb particleboard.
- Permanently attached 3mm color-matched or coordinating PVC edge band with ergonomic 1/8" radiused top edge bonded with hot-melt adhesive and trimmed flush on top and bottom panels to create pry-proof edges and structural integrity. Other exposed panels have .018" color-matched or coordinating PVC edge band permanently bonded with hot-melt adhesive and trimmed flush on top and bottom.
- Ends and back are butt jointed and screwed together using 16-gauge angle brackets and #10x5/8" Phillips panhead screws. Bottom is butt jointed to ends and back with Mod-eez® clip connectors and 16-gauge angle brackets and #10x5/8" phillips panhead screws. Tops attached with 16-gauge angle brackets and #10x5/8" Phillips panhead screws. Structural 1"x1" steel angle integrated to control deflection as needed on tops and shelving.
- Cabinets secured to (4) plate-mounted casters with #10x5/8" phillips sheet metal panhead screws.
- Plate-mounted 75mm diameter casters with twin wheel swivel with non-marking thermoplastic elastomer tread for quiet use on hard or carpeted flooring. Casters tested to hold 225 pound each (900 pounds for 4 casters) and roll over uneven surfaces.
- Gratnells-brand insertable tray storage units with interchangeable, durable trays in 3", 6" and 12" heights and are 12-1/2" wide and 17" deep. Tray color is translucent. When not in unit, trays may be nested or stacked.
- 20-gauge cold-rolled steel drawer construction on box and file drawers mounted to 16", non-binding full-extension drawer slides on both box and file drawers. Drawers finished with electrostatically applied powder coating.
- Drawer pulls are ADA compliant arch-shaped pulls that are 128mm on center, 148mm in length with 30mm projection. Optional Metro or Urban pulls are 128mm on center, 138mm in length with 25mm projection.
- Individual drawer cylinder-type locking mechanisms on closed storage units keyed alike within the cabinet.
- 100% factory-assembled storage. Units can be rolled into place with no assembly required in field for quick and easy installation.

## Optional features:

- Additional plastic tray configurations. Tray lids available.

### Surface materials palette:

- Thermally Fused Laminate (TFL) available in woodgrains, solids, or patterns. 18 standard options with coordinating edgeband colors.
- Custom TFL through specials request process with coordinating 3mm vinyl edgeband.
- Buying relationships established with Wilsonart, Formica, Nevamar, Pionite/Panolam, and other suppliers.

### Overall:

- Cloth blanket wrapped and cartoned packaging options available. If cartoned, skids are made from recycled materials.

### Warranty highlights:

- Fleetwood brand products carry a limited lifetime warranty, where products are warranted to be free of defects in materials and workmanship for the life of the product.
- Normal wear-and-tear is not covered under the warranty. Unauthorized alterations, improper maintenance, or abuse nulls warranty.
- Fleetwood will repair or replace free-of-charge any component that fails under normal use or provide refund or credit.
- Laminates, casters, levelers, and flip-and-nest mechanisms have a 12-year warranty.
- Some products have limited life coverage of 3 or 5 years. See full warranty statement for details.
- Consumables, natural variations in product, and select non-standard products not covered under limited lifetime warranty.
- See full warranty statement for details.
